

SUMMER CAMP

SugarTide summer camp promises an exciting and diverse experience with daily horse sessions, arts, crafts, outdoor games, and adventures. We prioritize creating a safe and inclusive environment where kids can make friends and build lasting memories. The unique horse sessions offer valuable life skills and great horse interactions.

ABOUT US

Nestled in the foothills of picturesque Okotoks, SugarTide is a fully insured, full service equestrian facility with on site fully licensed and certified instructors, as well as first aid trained staff.

Our school horses are second to none when it comes to learning and handling, allowing your child the most positive and enjoyable experience whether trying riding for the first time, or continuing with a much loved sport.

CAMP LEVELS

BEGINNER

No horse experience necessary, we start from the top! Riders comfortable at trot and starting to canter also fit well here!

INTERMEDIATE

Intermediate campers should be comfortable at walk, trot, and canter, and happy to jump a course of cross rails.

ADVANCED

Advanced campers should be comfortable jumping courses of 2'3/0.60m at canter.

INTERNATIONAL/ ADVENTURE

Depending on the year we either invite an international coach for a week of intensive clinic rides, or we create a balanced camp that includes Canadian clinicians and off property excursions. These include cross country schooling, show venue schooling, and over night trail riding trips.

WHY CHOOSE US?

Our camps run from 8:30AM to 4:30PM*, offering five full days of immersive equestrian experiences. Our curriculum is incredibly varied with theory, games, crafts, and of course lots of riding and horse sessions. Each camper comes away with experiences that will last a lifetime.

*Earlier drop off and pick ups can be arranged via email for a small additional fee.
